Coleman Fish and Game Annual Trophy Night

The Coleman Fish & Game Association will hold their annual Trophy Night at 7.30 p.m. in the Grand Union Hotel on Friday, February 21. Guest speaker for the evening will be Mr. Gordon Kerr, Game Biologist.

All members are invited to show their 1963 Trophies of

Big Game. Prizes will be awarded for Mountain Sheep, Mountain Goat, Moose, Elk, Mule Deer and White Tail Deer. All entries are to be left at Celli's Building Supplies on or before Monday, February 16th for scoring and must have attached the owners name and 1963 Game Tag

Fire Destroys Home In East Coleman

Fire of undetermined origin completely demolished a five-room frame home in East Coleman at around 4 o'clock Sunday morning, February 2nd.

The home, owned by Berny Robutka, was being rented by Mr. and Mrs. Steve Dudas. At the time of the fire Mrs. Dudas was in the Crows Nest Pass Municipal Hospital and Mr. Dudas was in Lethbridge, while the couple's young daughter was at the home of friends in Blairmore.

Since no one was in the residence at the time of the mishap the fire was well underway before it was spotted and the alarm turned in. Firemen arrived at the scene in short order, but the fire was so far advanced that the brigade concentrated efforts on saving a next door dwelling.

The home is covered by insurance and Mr. Dudas carried some insurance on his furniture. Nothing was salvaged from the fire and the Dudas family saved only what they had in their possession at the time of the fire.

On Monday morning a 1963-64 o'clock the firemen answered a second call which turned out to be a false alarm. The alarm was turned in by a housewife in North Coleman who spotted a fire north of her home and thinking it was in town turned in the alarm.

The fire turned out to be a fire lit by men working in the area, who were cleaning the district and burning brush.

Old Age Pensioners Hold Meeting

A good attendance of members was on hand for the first meeting of the year of the Coleman branch of the Old Age Pensioners' and Senior Citizens' Association.

During the evening president of the Association, informed the meeting that she had received a gift of an engraved silver tray from Jas. Allen, a former Coleman resident, now retired in Ottawa, Ont.

The tray was hand engraved by a pensioner in Ottawa, who is over 70 years of age.

President Goulding has turned the tray over to the Association to be the main prize on a draw that the group are planning to raise funds for the Association operation.

President Nora Goulding, past president, Mrs. C. Horn and executive members Mr. and Mrs. D. Bouthillier were delegated to attend a provincial convention to be held in Fort Macleod on February 5th. This meeting was called off due to weather conditions.

A membership drive is now being conducted by the Coleman group and persons interested in joining are welcome to attend the next meeting to be held on the first Monday in March. All present members are requested to bring a friend to the March meeting.

The Association members were then entertained by the Coleman Elks drill team, who, led by Capt. Peter Meronik, presented a number of intricate marches which were much enjoyed by the members present.

World Day of Prayer

A Women's World Day of Prayer will be held in the Blairmore United Church on Friday, February 14th at 7.30 p.m. All ladies of the Crows Nest Pass are cordially invited to attend. Theme of the service will be "Let Us Pray".

Three Collieries' Officials Feted

Over 95 persons gathered in the Elks Hall on Saturday evening, Feb. 1 to honor three officials of Coleman Collieries who have left the company.

Following a banquet supper, Master of ceremonies Roy Upton, called on Plant Superintendent Eugene Fabro to present retiring Sales Manager and Purchasing Agent Walter Purvis who has been in the company's employ over forty years, with a gift transistor radio. Mine Manager Bill Goodwin was called on and presented retiring Pit Boss Edgar Allen who has been in the employ of the company over thirty years with a similar gift. The final presentation was made by Coleman Collieries' President Frank Harquail to Colin Blanchflower, company General Superintendent for the past two years who received a desk-type brief case. Mr. Blanchflower has accepted a position with Simon Carves of Canada Ltd. of Toronto. The three men ably expressed their thanks for the fine gifts of appreciation.

After an introduction of the new Superintendent of Mines, Martin Aschacher and wife Eda, an evening of dancing and refreshments were enjoyed. Mr. Aschacher has now taken over his new duties with Coleman Collieries.

Coleman Lions To Present Variety Concert

Music lovers in the Crows Nest Pass will be given an exceptional treat when the combined talents of the Crows Nest Pass Choral Group, Crows Nest Pass Symphony Orchestra and the Crows Nest Pass Band will be united to present a grand variety concert in the Auditorium of the Horace Allen high school at 8 o'clock Friday night, February 28.

These accomplished artists have spent a great deal of time in preparing for this presentation, and they are fully worthy of your support.

Besides providing many hours of entertainment for the public, the local musicians are fulfilling their responsibility by training and developing musical ability in the youth of the Pass.

Proceeds from the concert will be divided between the Crows Nest Pass musical artists and the Lethbridge Junior College Library Fund. In their own way, both of these organizations are rendering very important services in the Pass area.

The Coleman Lions Club are sponsoring this Concert.

As one of the directors of the Lethbridge Junior College Board, Mr. John Salus is very anxious to get second year of University studies available in Lethbridge. The addition of this second year will greatly increase the educational services possible for students of South Alberta.

Besides lower travelling costs to and from University, it has been proved that living expenses in Lethbridge are considerably lower than in the larger Alberta cities.

Since the local School Districts are members of the College organization, local students receive further benefit by having their tuition fees reduced by one-half of the normal costs.

Any parents who are interested in the services provided by the College, should contact Mr. John Salus, or the local School District office or Mr. C. B. Johnson, principal, Lethbridge Junior College, Lethbridge, Alberta.

ANGEL ALFREDO SUAREZ BORJA

Destitute 7-year-old Ecuadorian boy, financially "adopted" by Prime Minister and Mrs. Pearson through Foster Parents' Plan, Montreal. (Readers interested in the Plan may get information by writing Box 65, Station "B", Montreal).

TEEN TOWN ACTIVITIES

The Teen-Town Club met last week when reports indicated that the young people had enjoyed their winter sleigh ride in Coleman Christmas week when some 30 young people travelled all over, singing carols.

The sleigh and team of horses were provided gratis by Earl Bagley of Coleman, while Joe Hanrahan acted as chaperone and also handled the team of horses.

During the meeting a committee was elected to contact the arena committee with a view to arranging times and dates for hockey, broomball and curling bonspiels, to keep the Teen Town members active. It is hoped by the club they will receive favorable consideration from the parties concerned.

During the meeting the matter of discontinuing Teen Town was brought up as there appeared to be a lack of interest among the young people in the Pass towns.

After some discussion it was unanimously agreed that the club continue to function and more activities are to be planned to keep the members occupied.

Mr. Joe Hanrahan, foreman of

the Department of Public Works, who has taken an active interest in the young people and has chaperoned several of the meetings and occasions of the Teen Town, has a very high opinion of the function of the club.

According to Mr. Hanrahan the meetings held by the young people are very orderly and many of the discussions held are extremely interesting. He feels that Teen Town has something to offer young people and is of the opinion that if parents took a more lively interest in the group, it would encourage adults in the district to promote and assist Teen Town.

He stated that he felt that it would be worthwhile for any parent to attend a Teen Town meeting to see that the young people are on the right track to becoming good and useful citizens of this country.

BIRTHDAY PARTIES

Mrs. K. Bouthillier recently visited at Calgary, when a birthday party was held in her honor at the home of her daughter, Mrs. F. Gimmell and Miss Laura Johnston.

Mrs. J. Pelsuk entertained a number of ladies on Friday afternoon in honor of her mother, Mrs. J. Rushton, who celebrated her birthday. Mrs. Rushton was presented with a beautiful bouquet of flowers from her husband and her daughter, Mrs. Pelsuk, and a corsage of red and white carnations from her grandchildren.

Afternoon tea was served with a beautifully decorated birthday cake centering the table. All joined in singing "Happy Birthday" during the cutting of the cake. Gifts and birthday cards were then presented for which she very ably thanked everyone and expressed her appreciation. In the evening she received a phone call from her son in Brooks, also from her daughter, Mrs. Alice Pitchford in California.

Mrs. G. Derbyshire celebrated her birthday last week when a number of friends and neighbors called to wish her "Many Happy Returns of the Day". She received many birthday cards and good wishes.

The Journal joins in wishing all these worthy citizens Many Happy Returns of the Day.

Mrs. Lehosky Rites Held Tuesday

Solemn requiem high mass was celebrated Tuesday, Feb. 4 at 10 a.m. for Mrs. Mary Lehosky, 76 who died Saturday in the Crows-Nest Pass Municipal Hospital. The service was held in the Holy Ghost Catholic Church with interment in the Catholic Cemetery.

Prayers were said Monday night at 7 o'clock at Fantin's Hillside Chapel.

Mrs. Lehosky was born in Nizia, Orava, Czechoslovakia, July 28, 1887, and came to New York in 1903. The following year she moved to Coleman where her father resided. She married Steve Lehosky in Fernie, Feb. 9, 1906, and the couple made their home in Coleman. She was a member of the First Catholic Slovak Union, the Canadian Benefit Slovak Society, and the Catholic Women's League.

She was predeceased by her parents, one brother, and three sisters. Survivors include her husband, four sisters, Mrs. A. (Anne) Shrum of Vancouver; Mrs. A. (Sophie) B. Gall of Nampa, Alta.; Mrs. S. (Cecilia) Hlava in Czechoslovakia and Mrs. John (Rose) Kovack of Coleman.

Mrs. N. Goulding Bereaved

Mrs. N. Goulding received the sad news last week of the death of her sister, Mrs. M. Dagnall, who passed away in Leigh, Lancashire, England.

Fish & Game Association Hold Meeting

The Coleman Fish and Game Association held a meeting over the past weekend when the 30 members present discussed the possibility of sending delegates to the Edmonton convention, scheduled to be held on February 6, 7 and 8.

The Club were of the opinion that attendance of delegates from Clubs all over Alberta was very beneficial as progressive resolutions and other matters were brought up and the problems of Clubs in the district were well aired. It was suggested that two members from Coleman who can arrange for time off attend the convention and they will receive some financial assistance from the Club.

A discussion was held on the Junior Forest Warden program, sponsored by the Coleman Fish & Game. More members of the Fish & Game are to be appointed to assist with the work involved in this project, as there were a lot of young people attending the Junior Forest Wardens and not sufficient adults to supervise.

Jim Kerr, Feruccio Berlin and

Ted Michalski were appointed to look into and make plans for a Trophy Night where members would enjoy a banquet and presentation of fish and big game prizes would be made.

A report indicated that Strawberry Lake in the Pincher Creek district was drying up and this in turn was affecting the duck population in this area.

The Coleman secretary was instructed to write to the Pincher Creek Fish and Game Association to get more particulars on this matter and to learn if the situation is as serious as it is reported.

The new project committee headed by Carl Sapeta, had little to report as some correspondence from Edmonton has stated a project that was being planned by the committee to stock a slough south of Coleman, with fish.

Delegations Travel To Edmonton

A delegation of Crows Nest Pass persons including Councillor Chas. Drain and town secretary Don Hayden of Blairmore; Mayor Clem Jepsen of Bellevue; Mayor Lud Margatak of Frank; Mayor Jack Ostash, Councillor John Holyk and Secretary Trevor Collier, left the Pass Wednesday for Edmonton.

The delegation will meet with the Provincial - Municipal Advisory Board at 2 p.m. Thursday afternoon and will ask that an absolute value be given in the Crows Nest Pass towns in view of the present economic conditions and the fact that the Federal Government has declared the Pass a slow-growth area.

Ratepayers and councils in the area are worried over the new assessment as many sizeable increases in property value have been reported. In Blairmore alone 85 appeals have been registered at the town office, while in Bellevue reports indicate 104 appeals. Frank 16, and Coleman has over 50 appeals.

The delegation returned to the Pass on Friday, and reported they were well received in Edmonton.

Al Krywolt New President Of Legion

The newly-organized Coleman Legion installed a new slate of officers at a social evening held in the club rooms last week-end.

Installing officer at the affair was provincial president Jack Oldham of Medicine Hat.

The new slate comprises Rev. D. Powell, chaplain; president, Al Krywolt; Mayor Jack Ostash, honor president, and Bertha Crippen, secretary-treasurer.

Executive members are John Slowick; sgt.-at-arms, Nick Cytiko; Jim Atkinson, Ed Amell, Ron Crippen, sgt.-at-arms, Tony Melissa, Walter Cichy, Tony Cicolone, 2nd vice-president; Douglas Skinner, vice-president; Stan Tarabula and Robert Langille.

Elks Organize Cane and Crutch Bank

Coleman Elks Lodge No. 117 are starting a Crutches and Cane Bank as one of their projects.

The Elks have announced that anyone in need of crutches or a cane should contact the Lodge and the Elks will be pleased to deliver the required cane or crutches. At present the Lodge have a limited supply so an appeal is being made to anyone having crutches or canes that are no longer in use to please turn them over to the Coleman Elks.

Condition of the crutches or canes is immaterial as a crew of the Elks' members are devoting considerable time to the repair of the aids.

Mayors Support TV Freeze

The four Crows Nest Pass Mayors, Alrik Tiberg of Blairmore, Jack Ostash of Coleman, Ludwig Margatak of Frank, and Mrs. Clem Jepsen of Bellevue, have expressed their agreement with a news report from Cardston that the Freeze on Cable Television systems announced by Ottawa recently, would apply to Lethbridge, where it is learned that action is underway for a television project that would see cable television in the city by the month end.

Mayor Denis Burt of the Temple City, was advised of this information in a wire he received from Carlyle Allison, vice-chairman of the Board of Broadcast Governors in reply to a telegram sent to the Hon. J. W. Pickersgill, Minister of Transport, by Mayor Burt, protesting the granting of a license for a system for the city of Lethbridge for the system which would only benefit the residents of Lethbridge, and which would virtually rule out the possibility of a second channel for Lethbridge and the surrounding district.

Mayor Burt suggested in the telegram that the possibility of a second channel in Lethbridge should be investigated.

The Mayors of the Crows Nest Pass are in full agreement with Mayor Burt's telegram to Ottawa.

It is the opinion of the group that while the present Lethbridge station has improved in the Pass station with the installation of a satellite station at Burnis, that many programs not now available to the local viewers would be seen if second station of sufficient strength was built in the city.

Highway Work Is Underway

Work on the straightening out of the No. 3 Highway immediately east of the Alberta-British Columbia boundary at Crows Nest has begun.

Some 20 men are presently engaged in clearing brush and doing other preliminary work before catcrappers, scrapers and other rubber-tired equipment is hired for the job. The project is under the supervision of Bob Wilson, resident engineer of the city of Lethbridge.

Just under two miles of highway will be improved in the project which will be bridged over the CPR and eliminate one railway crossing. Immediately after the highway passes over the railway a narrow gap in the lake has been filled to provide a base for the road to small island lake.

A causeway is then to be built proceeding directly east to join the No. 3 Highway at a point near the west end of Crows Nest Lake. The new piece of highway will eliminate several grades and sharp curves besides a railway crossing.

To Whom It May Concern

It has been brought to my attention that someone
was wondering where the funds of the 1961-62 Cole-
man Volunteer Fire Brigade went to.

Following is a statement:

Money in Bank, March 31, 1963	\$361.64
Money Deposited in April	61.11
Money received from Jack Nelson, re Muscular Dystrophy Fund	20.00
Money received from Elks re equipment sold	75.00
	\$517.75
Less Outstanding Cheques of March 31, 1963	20.77
	\$496.98
Less Light and Water, 2 months, for Club Room	10.60
	\$486.38
Less Picnic Expense	67.00
	\$419.38
Less Muscular Dystrophy Cheque	20.00
	\$399.38
Overdraft at Bank	2.60
	\$401.98
Turned over to School for Scholarships of \$25.00 Yearly	\$401.98

There is still some money to come in at a later date
which will be turned over to the School.

OF MANY THINGS

(By Ambrose Hills)

Liquor Law Reform in Manitoba

According to The Winnipeg Tribune, the Manitoba government plans to allow advertising of beer and wine following a change in the law at this session of the legislature.

There are many reasons for such change.

First, there has been a general desire for more uniform legislation across Canada. Ontario, for example, allows such advertising on radio and television; but a network, originating in the East, must stop at the Manitoba border if sponsored by a brewery. The Board of Broadcast Governors, which regulates all broadcasting, allows such advertising under a set of rigid restrictions — and no doubt would dearly love to see all provinces accept the same kind of regulation, so that there can be more orderly network broadcasting. Otherwise, Manitobans stand to miss out on important sporting events, including football, which has become so popular.

Even more important, in the eyes of the government, must have been the glaring fact that alcoholism has been hitting hard in the far northern points, where they are not exposed to such advertising. Apparently advertising and abuse of liquor are not related, so the advertising restrictions have benefited only the outside publications. Indeed, they have created an artificial situation, so that it is difficult to get to the root of the problem.

By treating the sale and use of alcoholic beverages more like normal businesses, abuse can be isolated and they will then no doubt step up their excellent educational program. This might well be one of the reasons why the announcement about advertising was tied to another announcement regarding an increase in price.

Certainly the government shows courage in taking this step. Politically, it is a sensitive matter, from which politicians often hide — In this case, it seems, the government is of the opinion that if it does what it believes to be sensible and timely, it will not suffer for it in the long run.

Help To Prevent Forest Fires

Many adjectives cannot improve or significantly modify the emotional impact of death by fire, says A. E. Bridges, Alberta Fire Commissioner. To some victims it comes suddenly, to others not so mercifully. Even smoke from a fire can sulfocate and kill. Although nothing new has been discovered about fire it continues year by year to surprise us. Undoubtedly new materials are being manufactured and used to add to the many presently recognized combustible materials.

It seems, however, that we have more to fear from inattention, preoccupation and plain carelessness than from mysterious new chemicals or strange new fire producing materials. The majority of people that die from fire do so in familiar surroundings. Many times the fire would never have occurred without human error.

A tragic case in point is the recent fire in a dwelling in Calgary where it is believed the fire resulted from a heater too close to a bed. The heater ignited the bed clothes and snuffed out the lives of four small children, seriously injured a baby of three months, and caused minor injuries to two women, all asleep at the time the fire originated.

The quick action of the fire department when called prevented further loss of life. The recent fire deaths bring an early total of seven lives lost in Calgary already in 1964. The other fire in a rooming house, caused three deaths on New Years Day.

According to preliminary reports deaths from fire in Alberta in 1963 totalled 41 — 23 children, 15 men and three women.

It seems necessary to point out the need for the greatest possible attention to be directed to the care of small children. They

often suffer from being left alone, they can unwittingly harm themselves with matches and fire; they should always be kept away from sources of fire that could involve them.

Surely, the record of child sacrifice to fire can be arrested, if all parents will accept their reasonable responsibility.

As Fire Commissioner, I make this earnest appeal for added provisions for fire safety in the months ahead.

Response To Oral Polio Program Disappointing

Response to the 1964 program of administration of the Oral Poliovirus has been rather disappointing, especially as far as adults are concerned, according to Dr. K. Adler, Medical Officer of Health. All persons, including adults, who have had three Salk Polio Vaccine or its equivalent (quad-combined antigen) are eligible for this Sabin Vaccine.

The response to the 1963 program was excellent and perhaps this is the reason the 1964 program appears to be less successful.

Salk Polio Vaccine alone gives almost 85 per cent protection against the dread disease Poliomyelitis, but complemented with the Oral Poliovirus (Sabin) almost 100 per cent protection is afforded. Persons who received only one dose of the vaccine in 1963 should get the second dose in 1964.

The vaccine is available, free of charge, at all regular clinics within the Health Unit area and if the need arises Dr. Adler and staff are prepared to hold night clinics to accommodate persons unable to attend the regular clinics. Dr. Adler urges all residents to take advantage of this "step forward" in the eradication of Poliomyelitis.

AUDITOR'S CERTIFICATE

I have audited the accounts of the Coleman School District No. 1216 for the year ended December 31, 1963, and certify, subject to any qualifications mentioned in the Auditor's Special Report above, that all the information and explanations I have required have been supplied, and that in my opinion the fore-

going financial statements are properly drawn up so as to exhibit a true and correct view of the financial affairs of the School District according to the best of my information, the explanations given to me, and as shown by the records.

(Signed) T. A. COLLISTER,
Certified General Accountant,
Coleman, Alberta.

Date of Audit, January 31, 1964.

Coleman Fish & Game Association

will hold their

Annual Trophy Night

IN THE GRAND UNION HOTEL, COLEMAN
FRIDAY, FEBRUARY 21st
At 7:30 p. m.

All members are invited to show their 1963 Trophies of Big Game. Prizes will be awarded for Mountain Sheep, Mountain Goat, Moose, Elk, Mule Deer and White Tail Deer.

All entries are to be left at Celli's Building Supplies on or before Monday, February 16th for scoring and must have attached the owners name and 1963 Game Tag.

MR. GORDON KERR, GAME BIOLOGIST
will be guest speaker. REFRESHMENTS.

NOTICE OF ANNUAL MEETING

Public Notice is hereby given that a meeting of the electors of the Coleman School District No. 1216, will be held in the Council Chamber on Monday, the 24th day of February, 1964 at seven o'clock p.m., for the purpose of receiving the report of the Secretary-Treasurer, Auditor and Chairman of the various committees.

Dated at Coleman, Alberta, this 11th day of February, 1964.

NORA GOULDING,
Secretary-Treasurer.

Notice of Annual Meeting

Public Notice is hereby given that a meeting of the electors of the Town of Coleman will be held in the Council Chamber on Monday, the 24th day of February, 1964, at seven-thirty o'clock p. m.

Dated at Coleman, Alberta, this 11th day of February, 1964.

T. A. COLLISTER,
Secretary-Treasurer.

PUBLIC NOTICE

I am not in favour of the Town of Coleman advertising for men for the Coleman Volunteer Fire Brigade, as we have in town trained firemen and if our Town Council members would use reason I am sure we would not have to keep looking for men owing to vacancies.

I do believe all this trouble and hard feelings would have been avoided if the people of Coleman had stepped forward and called for a Public Meeting to hear the Pros and Cons of both sides.

W. FILEWICH.

Letter to the Editor

Dear Sir:

We are planning a Competitive Trail Ride from Medicine Hat to Calgary for the full week preceding the Calgary Stampede.

This Calgary Stampede Competitive Trail Ride is strictly a pleasure trail ride on which riders are divided into age groups and are judged on horsemanship, and it is definitely not a race.

We held a Competitive Trail Ride from Medicine Hat to Elkwater last August and it proved to be quite a success. We used the ditches along the Trans-Canada Highway and the No. 48 Monalta Highway and they proved to be very satisfactory to the riders and the ride appeared to attract a lot of attention from tourists.

This ride will be held in the ditches along the Trans-Canada Highway and it will be well advertised as we hope to get entries from the United States. At present, I have received requests for entry forms, from riding clubs, individuals, and family groups, from: Ardmore, Banff, Brooks, Calgary, Edmonton, Evergreen, Grass Lake, Lethbridge, Maple Creek, Millet and Olds, as well as locally. We also have the promise of one and possibly both of Sicks' Brewery's Stage Coaches to accompany the riders, and we are planning on having Chuckwagons along to carry equipment and supplies.

I might add that we are not planning on charging any entry fee, as we hope to get all trophies, etc. from donors, as we did on the Medicine Hat to Elkwater Ride.

The Calgary Stampede Competitive Trail Ride is planned to leave Medicine Hat on June 27th, and arrive at Calgary on July 4th. We will ride in the Calgary Stampede Parade on July 6th, and we are hoping to have the presentation of "Trail Ride Trophies" at the Grandstand that afternoon. Then we are planning to have all the horses trucked back to Medicine Hat either that evening or on Tuesday morning, July 7th. You will note that we are planning on taking eight days to complete this 178-mile ride. This is to keep the pace leisurely in consideration of the younger riders who will be on the ride, to allow visiting Trail Riders to see some of the surrounding countryside and points of interest and to allow for any delays that may be caused along the trail.

I am enclosing entry forms, and I would like to invite all Coleman and District Horsemen, who are interested in Competitive Trail Riding, to join us on this Calgary Stampede Competitive Trail Ride.

Yours truly,
L. Eric Hansen.

Letter to the Editor

9778, 116 St.,
North Surrey, B. C.

Dear Tom:

Just a line to give you our new address. When we first came out here we were living at 116 St., but have moved into a small place of our own, not far from Joan.

We like it out here, but still miss the Alberta "Sunshine".

Trees, roses, etc., are all in bud and we have fruit trees in the yard so am looking forward to seeing them in bloom.

Say "hello" to Coleman friends for us, also the best to you and Mildred.

Sincerely,
Sadie Sist.

Letter to the Editor

The Coleman Journal,
Coleman, Alberta.

Dear Sir:

Enclosed please find a money order of two dollars (\$2.00) for a renewal of your interesting paper.

Being former residents of Coleman, we enjoy reading as to the whereabouts of our former acquaintances and also of the present news events in our home town.

Yours sincerely,
Mr. and Mrs. A. Belevich.

856, West 18th Ave.,
Vancouver 9, B. C.

Letter to the Editor

218 Orchard Ave.,
Penticton, B. C.,
Jan. 31, 1964.

Dear Mr. Holstead:

Enclosed find a money order for two dollars (\$2.00) for The Coleman Journal.

We enjoy reading all the news from home. Regards to all of our friends.

All of us are fine and hope you and your wife are also in good health.

Yours truly,
Mrs. Maurice Drew.

Perseverance indicates a strong will; obstinance a strong won't.

Kitchen rugs give soft bounce to your fine china

The skeptics may question it—but carpet has gone to the kitchen.

That's right, kitchens—complete with sinks, refrigerators, stoves and cooking utensils—are being fitted with wall-to-wall, to the delight of home-makers who have tried it.

From various parts of the country come comments such as: "I never dreamed it could be so easy to keep clean . . ." "It certainly makes my kitchen a lot quieter . . ." "It's so good-looking that now we don't mind eating at the kitchen table . . ." "The other day I dropped a piece of crystal—and it didn't break . . ." "Now I don't worry about the children slipping on the floor."

While kitchen carpet may not yet be as much in demand as carpet for living rooms, bedrooms, or other areas, a growing number of home-makers are discovering its value.

They have found that a carpeted kitchen is quieter and more comfortable to work in. They've discovered in many cases that the kitchen with carpet becomes a pleasant "second family room" instead of just a place to get the chores done.

And maintenance is a pleasant surprise. Vacuum-cleaning takes the place of scrubbing, waxing and polishing; spot cleaning is a simple matter of a few minutes.

The first question of those considering carpet for the kitchen, usually is, "what happens when I spill something?"

That question can be answered by another one. What happens when you spill something on conventional kitchen flooring, such as tile or linoleum? You wipe it up—and that's exactly what you do with carpet.

Practically all spots and stains can be removed with detergent-and-water solution, or a cleaning fluid for oily stains. Best of all, routine cleaning can be done at convenient intervals—even if you are interrupted—unlike a scrubbing or polishing job which must be finished once it has been started.

The quick and easy use of a vacuum cleaner or carpet sweeper instantly gives the kitchen a neat "picked-up" look—a head-start on the spotless appearance of any room.

The kind of carpet used in the kitchen is important, but that does not mean that the choice is limited. Practical colors and textures include tweed colorings in lively shades, color blends, even neat patterns; tight-looped or dense twist textures, or "texture patterns".

All of these help disguise signs of use between cleanings.

Crime's Crime

Over the years many references have appeared in print to the burdens borne by Russian consumers.

Perhaps most publicity has been given to shortages, which have resulted in customer acceptance of poor quality and poor design.

An article in a recent issue of "Business Week", tells about Soviet kassa (cashier) bottlenecks that would considerably cheer any Canadian housewife who has waited in line to have her order checked out. In Russia, the buyer must line up three times at the kassa: first, to ask the price and ask to see the merchandise; second, to pay the cashier; third, to pick up the package, which is handed over when the purchaser presents the receipt. In a few stores, where

merchandise is displayed and the prices are marked, it is not necessary to languish in the first of these three queues.

The reason for the queues? Security.

"The store manager is held personally liable by the state for all the goods on his shelves," says the article. With this kassa system he has a double check on receipts.

Shoplifting is discouraged.

No one in Canada would want to see the Canadian system of retailing changed from customer-centred to state-centred, but the store-keeper, harried by shoplifters, might have in his heart a small corner for envy.

More desirable would be an improvement in public attitudes and a recognition by both courts and the public that shoplifting in most cases is a crime on the same level as other types of larceny.

OH BOY!

Here's a girl who's really going places. She's 19-year-old Toronto singer, Pat Hervey, who is already known for her national television appearances and who has several hit records to her credit. She's seen on CBC-TV's Country Hoedown each Friday night.

Coleman Volunteer Fire Brigade

As there are a few vacancies on The Brigade, the Fire Chief will be accepting Applications during the early part of February. Any person wishing to join the Brigade should turn in his name to the Fire Chief or Secretary-Treasurer.

T. A. COLLISTER,
Secretary-Treasurer,
Town of Coleman.

Crowsnest Pass Development Association Meets With Federal Government Official

A dinner meeting was held in the Turtle Mountain Playgrounds, at Frank on Tuesday, January 28th, to meet with Mr. John A. Teeter, who is the Deputy Commissioner, Area Development Agency, of the Department of Industry, Ottawa, and Mr. John Ferguson, Administrator, of the Department of Industry & Development, Calgary.

The purpose of the meeting was to explain and discuss the requirements and regulations relative to Tax Concessions and Depreciation under Federal government legislation, to assist industrial location in designated areas.

Mr. Teeter first explained how the Federal government decided which communities qualified as designated areas. This was established from records relative to unemployment which were submitted by the Unemployment Insurance Commission. Thirty-five such areas were named, one of which was the "Blairmore Area". This was the only one in Western Canada. This was made public in September, 1963, and Mr. Teeter is the first to visit and discuss the situation from the Federal government.

He stated, that tax concessions as they are now outlined, may be extended after further investigation and experience. The Provincial government may be able to assist in this regard. He felt that with the required officers from his Department, working in conjunction with Mr. John Ferguson, an appraisal could be made which could assist the Federal government to revise and establish some system to give maximum assistance. The Crows Nest Pass Development Association could also greatly assist these officers.

Under the three-year tax holiday, new enterprises could quali-

fy, along with those already established. The new business must be clearly isolated in identity, by a subsidiary. These must come into production within two years. Applications must be from the business to the Federal government directly.

A 50 per cent depreciation on machinery and 20 per cent on buildings will be also allowed; 95 per cent of the machinery must be classed as new, some of which may be reconditioned. In case a business desires to re-locate would require a change in the name of the Company.

To acquire the full benefits under the Tax Holiday, a Company must have three complete years, which would commence from the initial production date. He suggested that the fiscal year of the Company should also commence on this same date.

There was a general discussion relative to the implementation of this legislation and numerous questions were asked and answered very clearly by Mr. Teeter. He felt that the Development Association should continue with its present endeavors and assist his Department Officers when they arrive.

Don Duguid, chairman of the meeting, expressed the appreciation of all present and thanked Mr. Teeter for visiting the area, and complimented him on his efficient and courteous manner.

A WORTHY CODE OF CITIZENSHIP CONDUCT

The following is from The Kiwanis Magazine:

"My country relies upon me to preserve and defend it against forces that threaten my government, my churches, my schools, my way of life, my very being."

Born in freedom, believing in freedom, mine is the infinite duty to serve as a good citizen, as a man who serves his country. This is the code by which I will use my freedom.

1—Public service will be my chief business. Apathy is a habit that becomes a disease from which the citizen dies and the nation falls. I will not be indifferent to the public needs of my community and my country.

2—Integrity, character, principle, and vigilance are the price that freedom exacts. These I owe to the land in which I live. I will not compromise with what I know to be wrong.

3—I will keep faith with my fellow citizens. I will be loyal to my fellow men, to my faith, to my ideals, to the values that

must characterize and guide my behavior, to my community, to my nation.

4—Leadership emanates from a creative, intelligent and understanding spirit. I will give and follow sound leadership at every level—in schools and colleges, in shops and markets, in temples and churches, in government and its agencies—I become the easy victim of evil or alien force.

5—The education and instruction of its citizens is a task of a democracy. I will constantly seek better understanding of my country, its institutions and the world in which I live.

6—The weapons of faith, courage, and intelligence are my armor; my trust is in God. With a sense of conviction in my cause and dedication to the principles which made my country free, I will never forget that I am and will function as, a responsible citizen."

Shower Honors Connie Marconi

Approximately 100 friends and relatives signed the guest book for a delightful bridal shower held in honor of Miss Connie Marconi in the Elks hall on January 27.

Mrs. Beaver played the Wedding March as the bride-elect was escorted by Miss Radley to the head table, where she was presented with a corsage of red roses.

Mrs. Marconi, mother of the bride-elect, was escorted and presented with a corsage and seated at the right of her daughter by Mrs. C. Coover.

Mrs. J. Dick (grandmother) was escorted by Miss Susan Jones.

Miss Linda Marconi was escorted by Miss Ralphina Deluca. Entertainment of the evening was whist and bingo.

Whist honors went to—first, Mrs. E. Hill; second, Mrs. B. Setal, and third, Mrs. E. Nelson.

The anniversary prize—a prize awarded to the guest whose wedding anniversary fell on the date nearest to the night of the shower, was awarded to Mrs. S. Ondrus.

The presentation of gifts was then made, the major gifts consisting of a floor polisher, vacuum cleaner, canister set, pop-up toaster and rolling pin.

Hostesses' gifts were a steam

iron, ironing board and cover.

Many other beautiful individual gifts were also presented to the honored guest for which she very ably thanked all friends present and those who were unable to attend, also the hostesses for the beautiful gifts and good wishes.

A delicious lunch was then enjoyed by all.

Miscellaneous Shower Is Held

A miscellaneous shower was held in the Elks hall on February 6th in honor of Mrs. William Fields. Miss Lorain Pesusik played the Wedding March as Miss Scharlot Dumford escorted the honored guest to the head table and also presented her with a corsage of red roses.

The bride's mother, Mrs. John Rosmer, was escorted by Mrs. C. Horn and presented with a corsage of carnations.

Mrs. W. Fields, mother of the groom, was escorted by Mrs. Dorcen Collins, and presented with a corsage.

Whist and bingo were the entertainment of the evening with whist honors going to—first, Mrs. C. Pessini; second, Mrs. Tillie Korman, and consolation, Mrs. J. Kinneer. The door prize was won by Mrs. Margaret Hammer.

A delicious lunch was then serv-

ed by the hostesses after which the presentation of the gifts took place.

Mrs. C. Horn presented the major gifts, consisting of a chrome kitchen suite, a complete set of Revereware, an electric clock and a 12-piece dinner set.

The hostesses' gifts were a copper canister set and a pyrex coffee pot. Many other beautiful and useful gifts were also presented.

Mrs. Fields very ably thanked all present and those who were unable to attend, also the hostesses for the lovely gifts and well wishes.

Elks Name Bingo Winners

Winners of prizes at the Coleman Elks bingo night were:

Grocery hamper, Matt Jarvis of Blairmore.

Toaster, Mrs. Pete Montalbeti, Blairmore.

Clock, R. Gardner.

Personalities IN THE NEWS

Mr. and Mrs. Frank Rejman and daughter Ardell of Creston, B.C. were week-end guest at the home of Mr. and Mrs. Charles Rejman.

Mrs. Martha Hatala of Rimby, Alta. was a guest last week at the home of her niece, Mrs. Charles Rejman. While there she attended the wedding of Connie Rejman and Bill Fowle.

Jerry Rejman, a student at the University of Alberta, Edmonton, visited his parents Mr. and Mrs. Charles Rejman over the week-end.

Mr. and Mrs. B. A. Fowle and son John, of Saskatoon, visited friends in the Pass, last week end. While here, they attended the wedding of their son Bill to Miss Connie Rejman.

Born to Constable and Mrs. Frank Baruta, of White Rock, B.C. on Feb. 2, a son.

Miss Darlene McDonald of Calgary, and Miss Sharon McDonald of Lethbridge, recently visited in Coleman with their parents, Mr. and Mrs. J. F. McDonald.

Mrs. T. Brennan is a patient in the Crows Nest Pass Municipal Hospital. Friends wish for her a speedy recovery.

Several people from the Crows Nest Pass visited at Calgary recently and attended the Vienna Boys' Choir which was held in the South Alberta Jubilee Auditorium. All report the voices were in perfect harmony and indeed a treat for music lovers.

Robert Liddell, attending Junior College in Lethbridge, visited at the home of his parents, Mr. and Mrs. W. Liddell.

Donald Fleming, attending Junior College in Lethbridge, visited his parents Mr. and Mrs. M. Fleming the week-end of February 1st.

Mr. Mel Dunford, now employed in Calgary, spent last week-end at his home here. He was accompanied by his daughter, Miss Westlyn Dunford, who is attending University in Calgary. Mrs. Dunford and family are planning on moving to their new home in Calgary at the end of the school term in June.

Mark Basso visited his uncle and aunt, Mr. and Mrs. Ed Wood on the week-end of February 1st. Mark is attending College in Calgary and was enroute home to visit his parents in Cranbrook, B. C.

Cameron Niel Walsh of Edmonton, was the lucky winner of the painting of Crows Nest Mountain on the lucky number draw with ticket number 258, sponsored by Victoria Rebekah Lodge. Cameron Niel is a grandson of Mr. and Mrs. Ed Ledue. The painting was a work of art by Mr. H. Pownall and donated to the Lodge by Mrs. G. Horn.

Mr. and Mrs. Joe Tarcon, accompanied by Mr. and Mrs. B. Littlewood, and Mr. and Mrs. G. Quarin, were recent visitors at Missoula, Mont.

Brian Johnson and Wayne Krywolt, attending University in Edmonton, visited at the homes of their parents recently.

Mr. and Mrs. W. Aschacker and family of Lethbridge, have returned to Blairmore to take up residence as Mr. Aschacker has gained employment at the Vicary Creek Mine of Coleman Collieries. Prior to leaving several years ago to work in Lethbridge, Mr. Aschacker was employed in the Greenhill Mine at Blairmore.

Mr. and Mrs. Joe Dick recently visited their son-in-law and daughter, Mr. and Mrs. F. Girihny in Edmonton.

Mrs. Otto Krug, and daughter returned last week after spending a few days with Mrs. Krug's parents, Mr. and Mrs. J. Tarasenko at Biggar, Sask.

Mr. and Mrs. Edmond Aboussafy of Calgary, were recent visitors at the home of the former's parents, Mr. and Mrs. F. Aboussafy.

Mr. and Mrs. A. Thome of Medicine Hat, and John Michalski who is attending University of British Columbia, were Coleman visitors last week for the funeral of Miss Stella Michalski. While here the Thomes and Mr. Michalski visited their parents, Mr. and Mrs. Bruno Michalski.

Mr. and Mrs. Cecil Coover and daughter Judith, accompanied by Mr. and Mrs. John Dean attended the wedding of Mr. and Mrs. Coover's niece, Miss Jacqueline Indley to Mr. Lloyd Dean at Kimberley, B. C., on Saturday, February 1st. Mr. John Dean acted as best man and Miss Judith Coover as bridesmaid. Mr. C. Coover acted as master of ceremonies.

Mr. and Mrs. Glen Misson and family were recent visitors at Calgary.
